Version 1.0.1

24th April 2007.

Enquiries to 0417 503 522 Web: www.mratasinc.com.au

The South Motorcycle Riders Association aims to:

- Organise and promote the Tasmanian MRA Toy Run in December each year;
- Organise and promote social events and recreation for motorcycle riders;
- Promote and encourage a better image of motorcycle riders in the community;
- Work for and raise funds for charitable organisations; and
- Promote road safety and the education of motorcycle riders and all traffic users and to work towards better laws and legislation in respect of motorcycle standards, safety and riding.

History of MRA South:

The Motorcycle Riders Association was originally formed in Victoria in 1978. The Tasmanian MRA was formed in 1980. Its original purpose was to fight the Tasmanian Government and the Motor Accidents Insurance Board (MAIB) over rapidly increasing insurance premiums. Since 1980 the MRA has organised and run the annual Toy Run, which raises huge amounts of Toys, money and gifts for the Salvation Army Christmas appeal. Statewide social events were organised, including the annual Tas Rally in March, and monthly smaller rallies of various kinds.

In 2007, the statewide MRA Tas Inc was split into three autonomous organisations – northwest, north and south, serving the 64, 63 and 62 telephone districts respectively. The split is intended to give more flexibility to members to arrange rides and events and adapt to the needs of the membership.

Why Become a Member of MRA South:

The South Motorcycle Riders Association has as its primary aim, to organise and promote the annual Tasmanian MRA Toy Run. This charitable event has grown hugely since 1980 and now attracts over 8000 participants. Members are needed to help this event succeed. Helping out can be rewarding.

Second on the list is to organise and enjoy social events. MRA social events have concentrated of late on overnight camping weekends away at various locations in Tasmania. MRA South will be organising two or three of these rallies a year. Come and join in. The events will be closely coordinated with similar outings run by the north and northwest groups giving members the chance to tour the State with opportunities arising about once a month. All you need is a bike, a tent and a small amount of carrying capacity.

We intend to begin some day rides given sufficient demand and volunteers to coordinate the rides. So turn the page, fill in your details, and join a great bunch of people.
